Acquired Immune Deficiency Syndrome or AIDS is a chronic immune system disease. Human Immunodeficiency Virus (HIV) is a virus that attacks the immune system and AIDS happens after someone has had HIV for many years. Saliva, sharing or reusing hypodermic needles and unprotected sex are various means through which the HIV virus can spread from people to people. Every year 1 December is observed worldwide as a World AIDS day to create awareness among people to prevent this disease. India is also not lacking behind in this matter. Various government and non-government organizations observe this day in India. The NSS in various education institutions of India spread awareness about this disease to prevent its further spread. The NSS of Sri Ramkrishna Sarada Vidya Mahapitha, Kamarpukur has observed this day on 1 December 2022 with rally and lectures.

In the morning, the NSS has organized a rally from college to create awareness among local people. Forty students of the college have participated in this rally. This awareness rally for prevention of AIDS was very much successful with the participation of both the students and teachers.

The NSS department also organized a talk about how to prevent the spread of AIDS. Apart from two NSS Programme Officers namely Saumya Bose and Atanu Karmakar, Mausumi Ghosh, Principal, S.R.S. Vidya Mahapitha, Jagabandhu Ghosh, President, Governing Body, S.R.S. Vidya Mahapitha and Prof. Tanmoy Pandit, Assistant Professor of English and Ex-Programme Officer of NSS, S.R.S.

Vidya Mahapitha, were present as main speakers. They made the students aware about the origin and causes of the diseases, what kinds of pre-cautions one should take to desist it and many other things. The students were highly benefitted from the discussion.

**SRI RAMKRISHNA SARADA VIDYA MAHAPITHA**
