Sub: Letter for Asking Permission to Conduct Seminar

Sir,

I am writing this letter to request permission to conduct a seminar in your College. I wish to conduct a seminar in regards to the relationship between Animation and Digital Media, I believe this will be a very informative seminar that many students will wish to attend. Basically, this is the awareness program about Animation Industry.

Students are the tomorrow's future, I believe small steps must be taken to educate everyone on the seriousness of this matter, and this is one of them.

I eagerly await your reply.
