

Students’ Feedback on Faculty (2018-2019)

Students’ feedback is an essential part of our teaching learning process. Here students can grade their satisfaction towards the faculty, teaching, learning, evaluation and on the overall campus life. The information provided by the students are kept confidential and used by IQAC for the overall quality enhancement of the teaching learning process. Hard copies of self administered questionnaire are circulated among the students for this purpose. A well drafted feedback form with specific questions as per the comprehensive level of the students is distributed at every semester to evaluate how far the teacher had been successful in reaching out to the advanced as well as the slow learners in the classroom. This is further intimated to the concerned faculty in the academic meeting and suggestions for development or appreciations are made.
