

**Observation of  
National Science Day  
Organized by  
Department of Physics, Sri Ramkrishna Sarada Vidyamahapitha  
on  
28/02/2023**

Since 1987, our Nation has been observing National Science Day on 28<sup>th</sup> February to honor of Sir C.V. Raman, one of India's most eminent Physicists, who discovered the "Raman Effect". In our college, Sri Ramkrishna Sarada Vidya Mahapitha, Department of Physics observed National Science Day on 28<sup>th</sup> February'2023. The goal of this curriculum was to provide students a platform to showcase their abilities, unleash their creativity, confront obstacles and overcome their weakness. This auspicious program was chaired by our honorable Principal Dr. Mausumi Ghosh. Dr. Ghosh has emphasized the importance of our roll in helping people, understanding the value of scientific application in everyday life. From Department of Physics Prof. Kanailal Berman & Prof. Anupam Pramanick explained the significance of National Science Day and briefed the great story of behind the discovery of Raman Effect for which India got first Noble Prize in Physics in 1930. Apart from them other dignitaries were present on this auspicious day from various department of college followed by Dr. Arundhuti Sur, coordinator of IQAC. Debates, oral presentation, model demonstration were arranged in the college premises. Our students from

Department of Physics actively participated these events. The model demonstrations by the students of 5<sup>th</sup> Semester Physics Hons were fantastic. All pupils were benefitted by knowledge sharing from faculty members. All the dignitaries encouraged them for their great efforts to have displayed it very well. We felt that our goal had been accomplished because the Science Day was success. The organizing committee members' enthusiastic participation and the collaborative efforts of college consistently supportive faculty and students are to be credited for the spectacular success of Science Day celebrations. Prof. C.V. Raman believed that women in India who pursue science can accomplish anything. Sri Ram Krishna Srada Vidya Mahapitha continuously foster a scientific mindsets to pursue science as career.
