Principal's Desk

As the New Year unfolds, I am filled with a renewed sense of enthusiasm and anticipation. Our college continues to be a vibrant hub of learning where the students are encouraged to explore their passions, cultivate their talents, and strive for excellence. Elysium highlights some of the remarkable achievements of our students and faculty, showcasing the dedication, creativity, and intellectual curiosity that define our institution. I express my deep gratitude to the editorial team whose indomitable enthusiasm is the building block of this newsletter. We believe that by fostering a supportive environment, we can empower our students to become the leaders and innovators of tomorrow. I wish all the readers of Elysium a successful and fulfilling 2025.

Editor's Desk

With the inception of the New Year 2025, we have completed a year of our journey of publication of the newsletter, which we began with hesitation and scepticism as we were not sure about how long this endeavour would sustained. However, we are overwhelmed to see that with your enthusiastic participation and spontaneous response. With such a zeal, we are optimistic to continue and let this child to grow as long as we shall live
