## A SEMINAR ON POLES AND POLLUTION

BY

ENVIRONMENT COMMITTEE

ON 16-08-2023

A One Day Seminar was held on 16 August, 2023 on 'Poles and Pollution' in Sri Ramakrishna Sarada Vidya Mahapitha. Dr Ashok Kumar Majumdar and Pathikrit Chattopadhyay, renowned ornithologist deliberated upon how the polar regions of the world were getting polluted and the need to spread awareness among the students. 222 students and 24 teaching and non teaching staff participated in the event. Slides of the two polar regions were shown by Dr Ashok Kumar Majumdar alongwith some slides of the activities of various birds by Pathikrit Chattopadhyay. A discussion on the pollution caused by plastic was held.
