Dear All

Welcome to the Elysium, the Ninth and Tenth issues of the Newsletter of Sri Ramkrishna Sarada Vidya Mahapitha Kamarupukur. It is an immense pleasure for us to have this digital platform to share our happiness which is a cumulative effect of the achievements of our students, faculties and staff during the Tenth and Eleventh months of the Departing Year 2024. One cannot but commend the contributors for their stimulated thoughts and congratulate the editor and the editorial team. I pray that the Elysium becomes the kindly light that beacons us along the aura of existence across the encircling gloom.

Ring out the old, ring in the new.
